

DRINK BOX AIRPLANE SPOON

DRINK BOX AIRPLANE SPOON

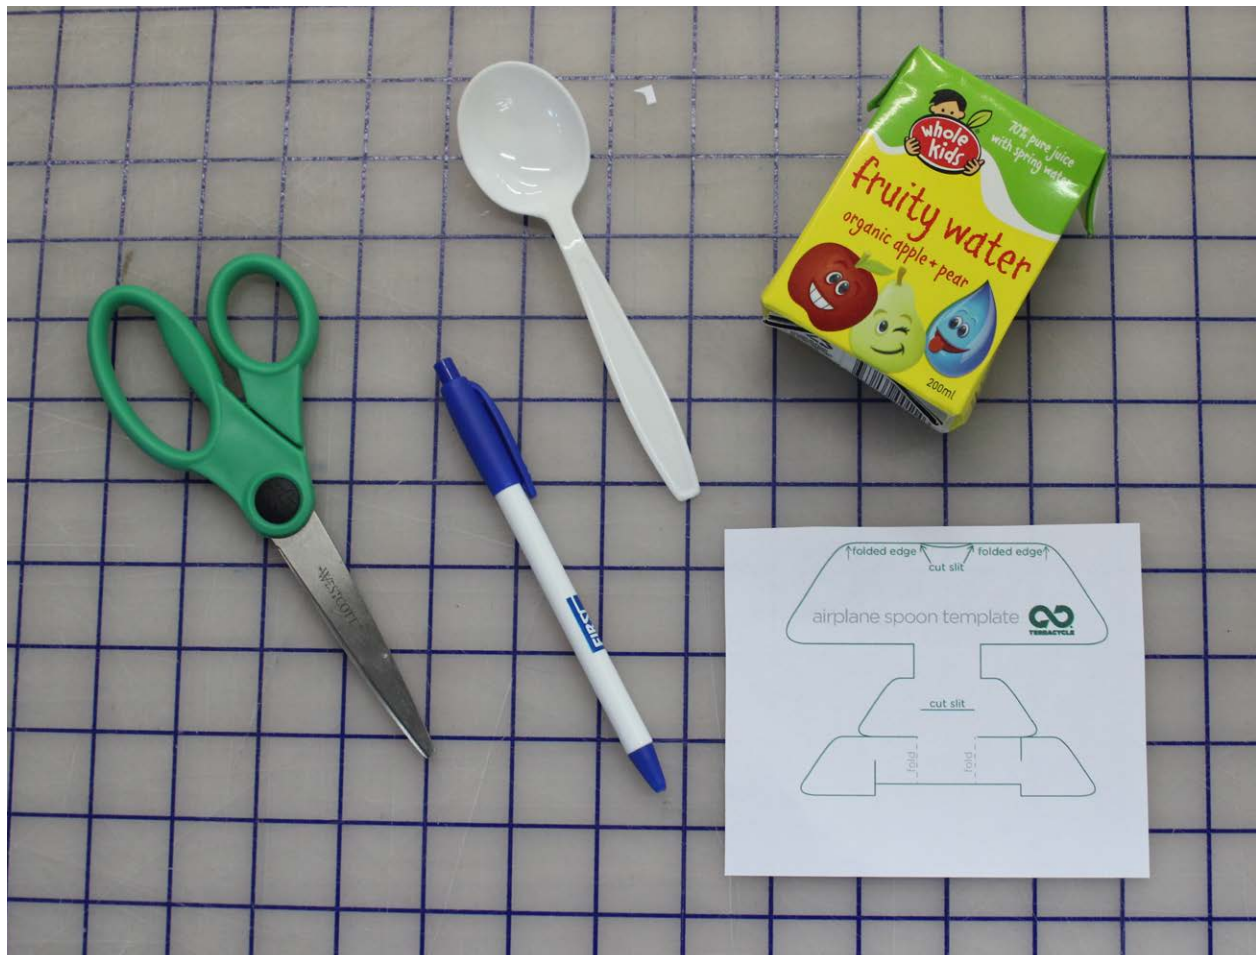

Help your crafty skills take flight with this upcycling project!

MATERIALS

- empty drink box
- baby spoon

TOOLS

- scissors
- template from page 5 of this PDF
- pen or marker

INSTRUCTIONS

STEP 1 Open up your drink box by cutting off the top and bottom. Rinse and open up from one corner seam. Print and cut out the airplane spoon template.

STEP 2

Keep the drink box folded in half and place the template on top, lining up the folded edge where indicated. Trace around the shape.

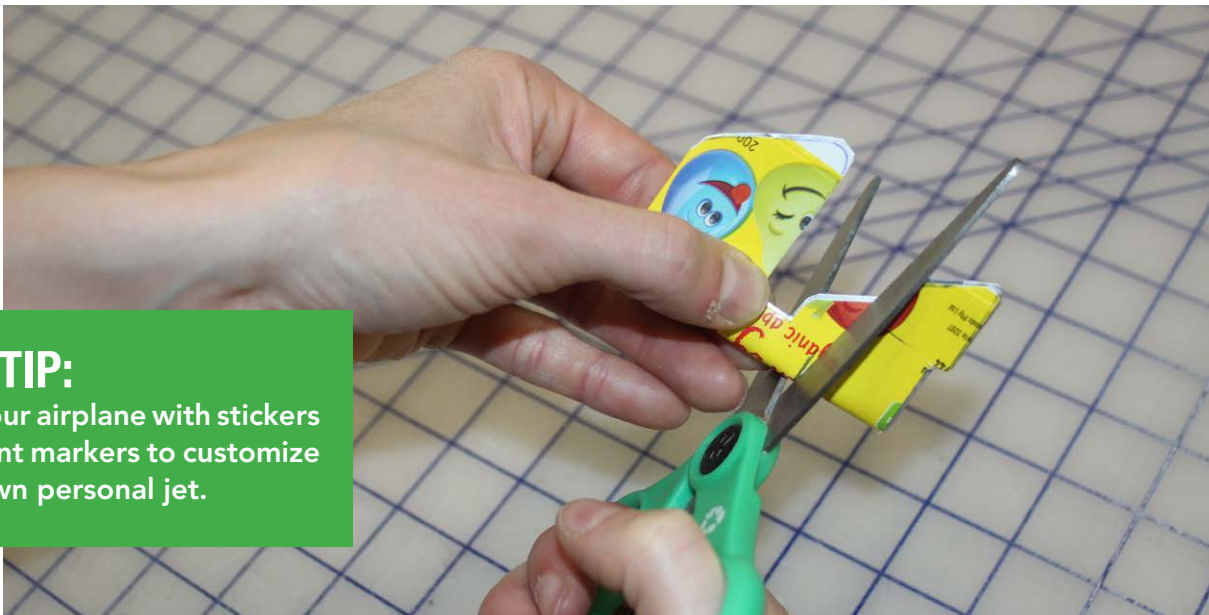

STEP 3

Cut along the traced line making sure you cut through both layers of the drink box.

STEP 4

Cut slits and fold where indicated. To cut the bottom slit it helps to fold it in half.

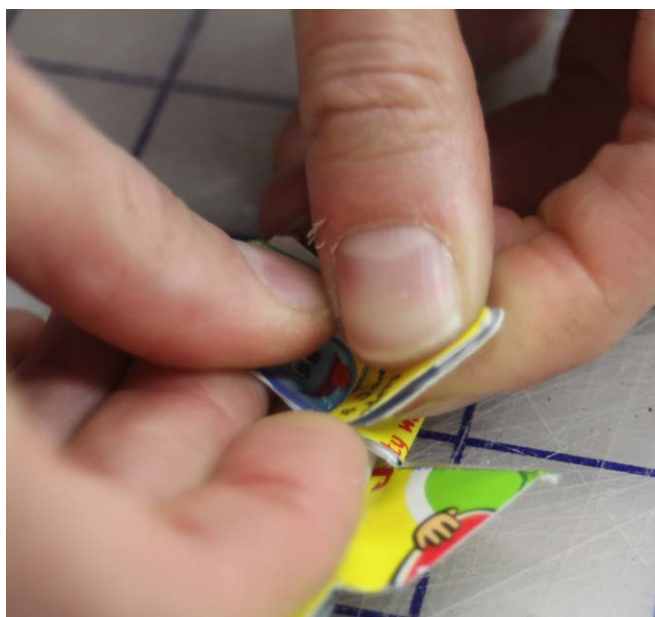

DESIGN TIP:

Decorate your airplane with stickers or permanent markers to customize into your own personal jet.

STEP 5

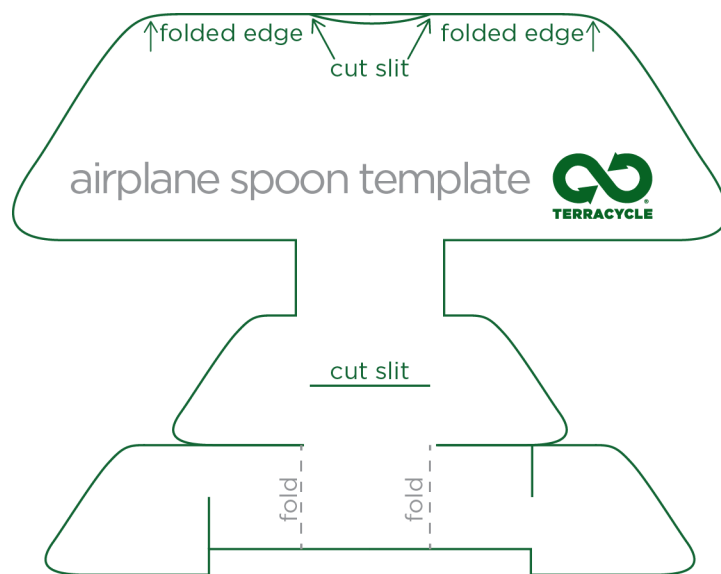

Slip the spoon in through the top slit and then through the top layer of the bottom slit. Connect the bottom wings.
