

Do Good Campaign Terms and Conditions

1. The **DO GOOD, 'tis the season** promotion is open to all collectors residing in the United Kingdom (it is not open to residents of the Isle of Man or the Channel Islands).
2. The promotion will run from Tuesday 15th November 2022 at 9:00 am until Monday 16th January 2023 at 5:00 pm. Please note that TerraCycle is not responsible for any parcels lost or delayed in transit. Proof of postage is not proof of receipt.
3. Prior to sending parcels, collectors must have successfully opened a TerraCycle account (created [here](#)) and joined the participating programme(s) they're collecting rubbish for.
4. Participants will earn bonus TerraCycle points for their first 8 weight-compliant parcels sent between 15th November 2022 and 16th January 2023 for any number of the following participating programmes:
 - [The Baylis & Harding Recycling Programme](#)
 - [The Philips Dental Care Recycling Programme](#)
 - [The Kate Somerville Recycling Programme](#)
 - [The Murad Recycling Programme](#)
 - [The Taylor's of Harrogate Recycling Programme](#)
 - [The Ferrero Pralines Recycling Programme](#)
 - [The Babybel Recycling Programme](#)
 - [The Cheese Packaging Recycling Programme](#)
 - [The Marigold® Gloves Recycling Programme](#)
 - [The Spontex Disposable Gloves Recycling Programme](#)
 - [The Air, Home and Laundry care Recycling Programme](#)
 - [The Flash® Wipes, Cloths and Pads Recycling Programme](#)

For programmes using a multi-label shipping model, multiple shipments sent in to meet a programme's weight requirement will count as one shipment.

5. The bonus points are awarded, on top of the points a collector would earn regardless, depending on how many parcels of rubbish are sent in:
 - 2 compliant parcels of rubbish = 800 TerraCycle points (equivalent to £8)
 - A further 3 compliant parcels = 2,000 TerraCycle points (£20) - on top of the £8.
 - A further 3 shipments = 3,000 TerraCycle points (£30) - on top of the £28.

These bonus points are cumulative. So, if a collector sends in three or four parcels, they will only receive a bonus of 800 points, but if they send in five then will receive 2,800.

The number of parcels sent by each participant will be counted once the contest is closed. Parcels do not need to be sent at the same time.

6. The amount of points awarded is capped at 5,800 (equivalent to £58 and 8 parcels). Collectors can send in more than 8 parcels, but they will only earn the usual amount of points. The bonus points will be credited by the end of February 2023.

7. No alternative prizes in whole, or in part, will be awarded instead of the bonus TerraCycle points.
8. The Promoter will notify the successful participants via email by 28/02/2023 at the latest to let them know how many bonus points they will be credited.
9. The Promoter reserves the right to remove any participants not complying with these Terms and Conditions, the law, or whose behaviour is considered by the Promoter as dishonest or fraudulent. The Promoter reserves the right to suspend or amend the promotion where it becomes necessary to do so for reasons outside of the Promoter's control.
10. The Promoter will give one month's notice on this website of any intention to cancel or amend this promotion.
