

# Our Zero-Landfill Policy

At Jeuneora, we wanted to take a step towards sustainability by ensuring that our packaging is nationally recyclable across New Zealand & Australia in a guaranteed zero-landfill recycling programme.

Through the Jeuneora Recycling Programme, you can collect and ship all of your empty capsule pottles, powder pots, lids, scoops & Naked+ Detox sachets free of charge to TerraCycle, who will shred, wash, and melt them down into raw materials that can be used as an alternative to virgin plastic.

Participating in the Jeuneora Recycling Programme is entirely free and will help care for our planet whilst raising money for a good cause.
