

## BIOGRAPHY OF TERRACYCLE FOUNDER & CEO TOM SZAKY

Tom Szaky is founder and CEO of TerraCycle, an international leader in innovative sustainability solutions, creating and operating first-of-their-kind platforms in recycling, recycled materials, and reuse. Across 21 countries, TerraCycle is on a mission to rethink waste and develop practical solutions for today's complex waste challenges. The company engages an expansive multi-stakeholder community across a wide range of accessible programs, from Fortune 500 companies to schools and individuals.

In 2019, TerraCycle launched Loop, a circular reuse platform that enables consumers to purchase products in durable, reusable packaging. Loop is available in France, Japan and the U.S., and is a key step in helping to end the epidemic of waste that is caused by 'single-use' consumption.

Tom and TerraCycle have received hundreds of social, environmental and business awards and recognition from a range of organizations including the United Nations, World Economic Forum, Fortune Magazine, Time Magazine and the U.S. Chamber of Commerce.

Tom is the author of four books, *Revolution in a Bottle*, *Outsmart Waste*, *Make Garbage Great* and *The Future of Packaging*. Tom created, produced and starred in TerraCycle's reality show, "Human Resources" which aired on Pivot from 2014-2016 and is syndicated in more than 20 foreign markets on Amazon and iTunes.
