Small Zero Waste Bags

The Small Zero Waste Bags measure roughly 10 x 14 inches. They can hold up to 2 gallons in volume.

Be sure to check off the type of hard-to-recycle trash in the corresponding checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then place the Zero Waste Bag next to your compost, and we'll pick it up at the scheduled time.

Order small Zero Waste Bags if you're recycling:

- Coffee capsules
- Corks
- Cosmetics packaging
- E-waste
- Eyewear
- Ink & toner cartridges
- Media storage
- Oral care packaging
- Power strips and cords
- Water filters
- Writing instruments

Large Zero Waste Bags

The Large Zero Waste Bags measure roughly 24 x 24 inches. They are roughly the same size as the 13-gallon kitchen bag.

Be sure to check off the type of hard-to-recycle trash in the corresponding checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then place the Zero Waste Bag next to your compost, and we'll pick it up at the scheduled time.

Order small Zero Waste Bags if you're recycling:

- All plastic packaging
- Art supplies
- Baby food pouches
- Fabrics and clothing
- Food and drink pouches
- Garden products
- Office supplies
- Party supplies and disposables
- Pet food packaging
- Shipping materials
- Shoes and footwear
- Sporting goods
- Styrofoam™
- Toys
- Used cleaning supplies

Extra Large Zero Waste Bags

The XL Zero Waste Bags measure roughly 33 x 40 inches. They are roughly the same size as a 33-gallon kitchen bag.

Be sure to check off the type of hard-to-recycle trash in the corresponding checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then place the Zero Waste Bag next to your compost, and we'll pick it up at the scheduled time.

Order small Zero Waste Bags if you're recycling:

- All plastic packaging
- Food & drink pouches
- Milk & juice cartons
- Party supplies & disposables
- Cleaning supplies
- Pet food packaging
- Styrofoam

Recycle more from your doorstep!

Recycle up to 24 waste streams, from all plastic packaging to milk and juice cartons, coffee capsules, and more. Buy individual bags and pickups to fit your needs.

What we recycle

We recycle trash you can't typically recycle curbside. More waste streams will be added soon, so check back for updates.

What happens to the items after you pick them up?

We send them to TerraCycle for recycling. TerraCycle guarantees that they recycle all compliant materials that are collected. The items are received by material recovery partners, where they are sorted into individual material components. Each material is then recycled into a raw format that can be used to make new products.

Accepted waste

All plastic packaging

Accepted items: Air packaging, bubble wrap, padded envelopes or mailers, cereal bag liners, food storage & takeout containers, candy & snack wrappers, plastic shopping bags, Ziploc® bags, plastic wrap, shrink wrap

Not accepted: Glass, wood, foamed plastics, biodegradable plastics, PLA

Collect with Large or Extra Large Zero Waste Bags

Recycle all plastic packaging by using our large or extra large Zero Waste Bags. Make sure to check off the “All plastic packaging” checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then scan the QR code or log in to your account to schedule a pickup. Place the Zero Waste Bag in your collection bin or at your doorstep, and we’ll pick it up at the scheduled time.

Cigarette butts

Accepted items: Rolling paper, ash, cigarette filters, all parts of extinguished cigarettes, cigar stubs, outer plastic packaging, inner foil packaging

Not accepted: Cardboard packaging, cigarette boxes

Collect with Small Zero Waste Bags

Recycle cigarette butts by using our small Zero Waste Bag. Make sure to check off the “Cigarette butts” checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then scan the QR code or log in to your account to schedule a pickup. Place the Zero Waste Bag in your collection bin or at your doorstep, and we’ll pick it up at the scheduled time.

Coffee capsules

Accepted items: Coffee capsules, pods, K-Cups, packs, or discs

Not accepted: Electronics, loose coffee grounds, tea & coffee filters, coffee or tea accessories

Collect with Small Zero Waste Bags

Recycle coffee capsules by using our small Zero Waste Bag. Make sure to check off the “Coffee capsules” checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then scan the QR code or log in to your account to schedule a pickup. Place the Zero Waste Bag in your collection bin or at your doorstep, and we’ll pick it up at the scheduled time.

Corks

Accepted items: Natural beverage corks, synthetic beverage corks

Not accepted: Bottle caps, screw tops, foil, aluminum champagne twists, bottles

Collect with Small Zero Waste Bags

Recycle corks by using our small Zero Waste Bag. Make sure to check off the “Corks” checkbox on the front of the Zero Waste Bag. When the Zero Waste Bag is full, seal it, then scan the QR code or log in to your account to schedule a pickup. Place the Zero Waste Bag in your collection bin or at your doorstep, and we’ll pick it up at the scheduled time.
