

COLGATE® GIFT BOW

Give your packaging another go and create an upcycled gift bow!

MATERIALS

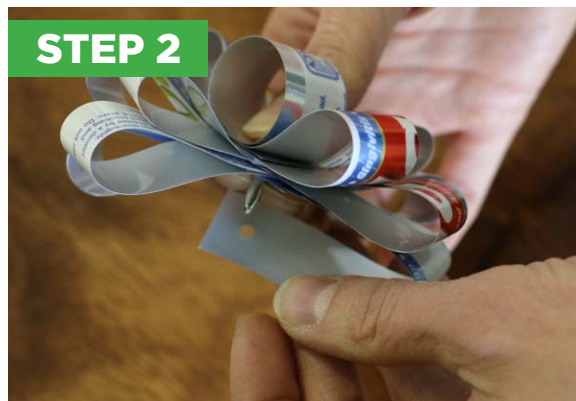

- 1 small pre-cut packaging strip
- 2 medium pre-cut packaging strips
- 3 large pre-cut packaging strips
- 1 paper fastener

STEP 1

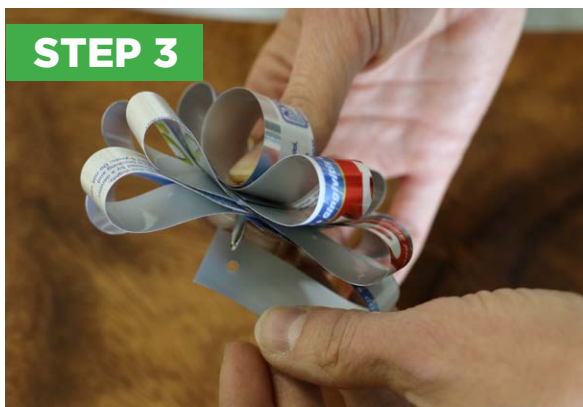

Create a loop with the shortest piece and insert the paper fastener through the punched holes.

STEP 2

Take the second shortest piece and poke the paper fastener through the center hole. Then, loop the holes on each end onto the paper fastener.

STEP 3

Repeat step two for all of the remaining pieces, starting with the medium-sized piece and then using the three large-sized pieces.

STEP 4

Secure the back of the bow by opening the ends of the paper fastener. Spread out the loops of the bow and this project is a wrap!
